

CESA CORPORATE PARTNERSHIP

CESA is operated on a non-profit basis and relies on membership fees and sponsorship support from companies that seek to grow and sustain the organisation which represent and develop the consulting engineering profession for the country.

Thus, CESA invites you to join us in achieving our goals and mission of:

- enhancing the professional and business interests of its members
- improving the quality of life for all South Africans by the promotion of engineering excellence
- serving clients and stakeholders with professionalism, integrity and independence of judgement.
