ABOUT CESA:

Consulting Engineers South Africa (CESA) is 'Your Partner in Enabling Consulting Engineering Excellence'. CESA represents for its members, a body that promotes their joint interests and, because of its standing, provides engineering services integrity and quality assurance for clients.

Over 540 firms employing over 21 000 staff are members of CESA; these member firms range from large, multinational, multidisciplinary suppliers of a comprehensive range of planning, design and project delivery services, to many small- to medium-sized firms that tend to specialise in selected areas of the project delivery process.

CESA is committed to the principles of sustainability and the promotion of engineering excellence. CESA has 12 branches countrywide and employs a full time directorate in Johannesburg.

CESA is a proud member of FIDIC, the International Federation of Consulting Engineers and GAMA, the Group of Africa Member Associations representing Consulting Engineers across the African continent.
