

DAY IN THE LIFE OF A CONSULTING ENGINEER

CESA NATIONAL JOB SHADOW INITIATIVE 2018

MSINGA, KWAZULU NATAL

SITE VISITS

Over 20 students from grade 7 to 12 from Sakhiseni High School in Msinga, KwaZulu Natal, attended the CESA national job shadow initiative hosted by Ibhongo Consulting on the 24th July 2018. Ibhongo introduced the learners to the engineering profession through the presentation that covered various careers, qualifications and routes into the engineering profession.

After the presentation, safety briefing and induction, learners shadowed Sithelo, Civil Engineering Technologist, as he visited various sites in Msinga. Learners were taken to sites and were exposed to water projects in the area. The site visits included Abstraction works, Water Treatment Plant Bulk Pipeline, Reservoir, Pump Station, Gravity Mains and Reticulation.

Education is the most powerful weapon which you can use to change the world.
