

"HI EVERYBODY! MY NAME IS RECO AND I'M THE LOCAL AURECON SUPERHERO. I'LL BE HERE TO GUIDE YOU THROUGH YOUR DAY AND GIVE YOU USEFUL ADVICE FOR YOUR FUTURE AT SCHOOL AND IN YOUR CAREER"

"THE PEBBLE GAME' IS AN ICE BREAKER USED TO TEACH COMMUNICATIO SKILLS BY ENCOURAGING US TO SPEAK OPENLY. THIS HELPS TO UNDERSTAND THE IMPORTANCE OF COMMUNICATION WITHIN THE CONSULTING ENVIRONMEN WHERE TEAM WORK AND CLEAR COMMUNICATION IS ESSENTIAL - AND WE CAN MAKE FRIENDS!"

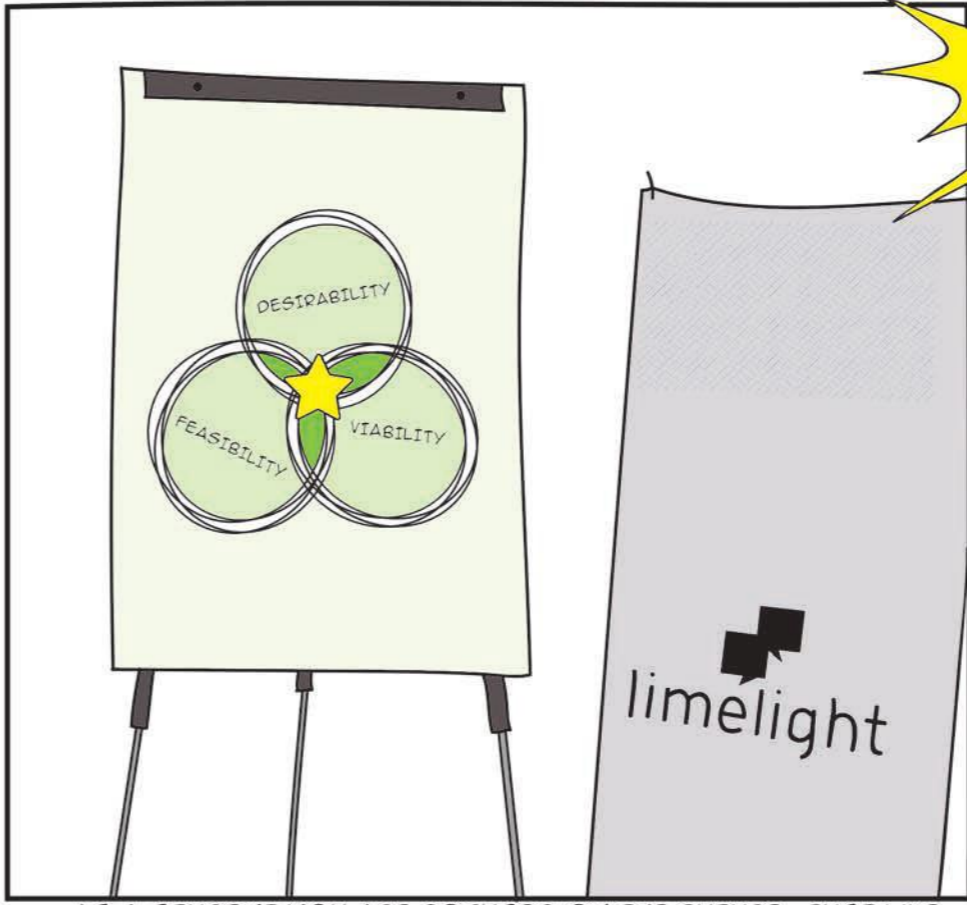

CONSULTING ENGINEERS TAKE PART IN PLANNING AND DESIGN ACTIVITIES, AND TODAY YOU WILL TOO. YOU WILL DESIGN A SUSTAINABLE LOW-COST HOUSE, BIG ENOUGH TO HOUSE FIVE PEOPLE! REMEMBER TO CONSIDER BUDGET, TIMEFRAME, MATERIAL AND TOOL AVAILABILITY AS WELL AS ELECTRICITY, WATER AND SAFETY STANDARDS.

"THE PURPOSE OF TODAY IS TO INTRODUCE YOU TO A DAY IN THE LIFE OF A CONSULTING ENGINEER. YOU ARE GOING TO TAKE PART IN A COUPLE OF EXCITING INTERACTIVE EXPERIENCES. HAVE A WONDERFUL DAY, AND REMEMBER TO HAVE FUN!"

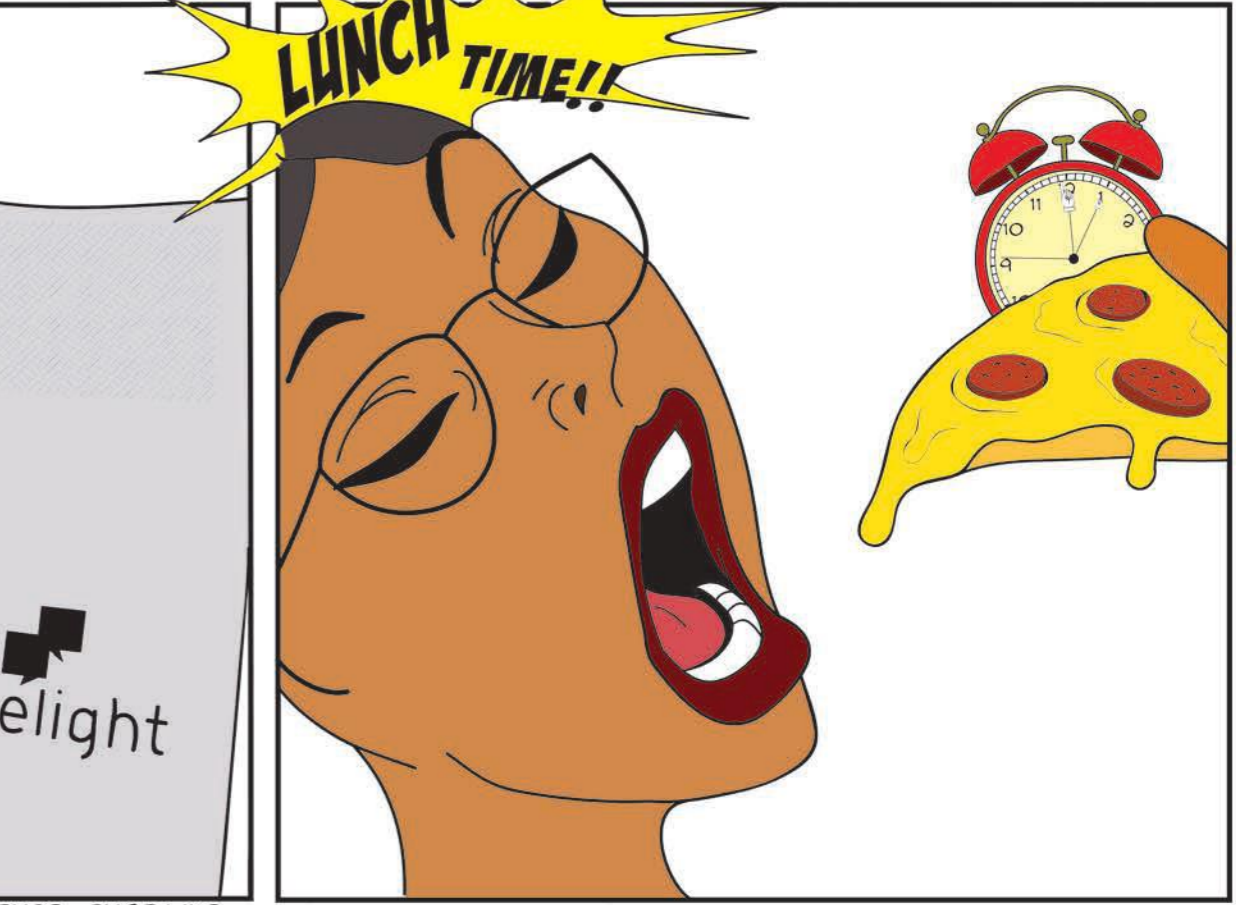

TODAY I LEARNED THAT IT IS IMPORTANT TO BE CLEAR AND PRECISE WHEN YOU ARE COMMUNICATING, OTHERWISE THE MESSAGE GETS LOST!

AS A STUDENT YOU ARE FOCUSED ON THE FUTURE, JUST LIKE CONSULTING ENGINEERS! A FUTURE BY DESIGN MEANS CONSIDERING THE HUMAN ASPECT, TECHNICAL CAPABILITIES AND WHETHER THE BUSINESS CAN ACHIEVE WANTED RESULTS IN EVERY PROJECT WE PURSUE. THIS ENABLES US TO STAY LEADING, VIBRANT AND INNOVATIVE

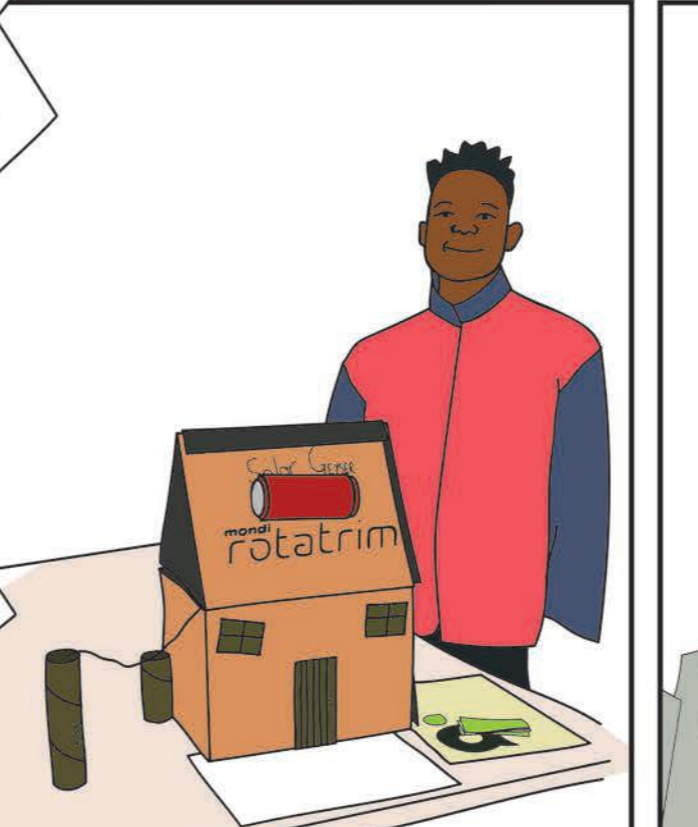

AS A CONSULTING ENGINEER, YOU FACE CHALLENGES EVERY DAY. IT IS IMPORTANT TO TAKE CARE OF YOURSELF AND THOSE AROUND YOU BY ADHERING TO ALL THE HEALTH AND SAFETY RULES, BECAUSE PEOPLE DEPEND ON YOU!

"THIS IS AWESOME! I LOVE SOCIALISING AND GETTING TO KNOW YOUNG PROFESSIONALS THAT WERE IN MY POSITION NOT TOO LONG AGO PLUS, THIS PIZZA IS DELICIOUS!"

CONSULTING ENGINEERS NEED TO PROVIDE A HIGH QUALITY OF WORK SO TODAY YOUR MODEL HOUSES WILL BE ASSESSED ACCORDING TO QUALITY CONTROL CHECKS, AND THE BEST HOUSE WILL BE ANNOUNCED!

WE HOPE YOU'VE ALL MET THE CLIENT'S CRITERIA AND THAT YOU HAD FUN DURING THE DESIGN AND CONSTRUCTION PHASE!

"REMEMBER TO STUDY HARD SO YOU CAN BECOME CONSULTING ENGINEERS, AND BE SAFE BECAUSE PEOPLE DEPEND ON YOU!"

DESIGNED & ILLUSTRATED BY: MARCO DU TOIT & CINDY VAN DEVENTER
THIS COMIC REPRESENTS THE STORY OF 4 OUT OF 78 STUDENTS FROM GRADE 10 TO GRADE 12 WHO ATTENDED THE JOB SHADOWING DAY HOSTED AT AURECON ON THE 22 ND JUNE 2019.
