

# SCHOOL TALK INITIATIVE 2019

'A day in the life of a Consulting Engineer'

3 Schools, 200 Learners

#SustainableEngineering

#TomorrowsLeaders

#EngineeringGoneGreen

In inspiring the next generation of engineers into the incredible and complex world of engineering, the Bosch Projects team engaged 200 learners for the annual CESA Job Shadow initiative.

The future of engineering is creating a liveable and sustainable world through creativity and with the principles of innovation.

At Bosch Projects we believe in engineering outside the box, because boxes are for recycling.
