

CESA Young Professionals Forum

Georgina Herbert

YPF Chairperson

29 July 2021

“Sometimes leadership is planting trees under whose shade you’ll never sit”

Jennifer Granholm – United States Secretary of Energy

- Investing in future generations
- Enabling YPs to find their potential
- Enabling YPs to unlock opportunities for infrastructural development, economic growth and social change

When is the best time to plant a tree?

20 years ago!

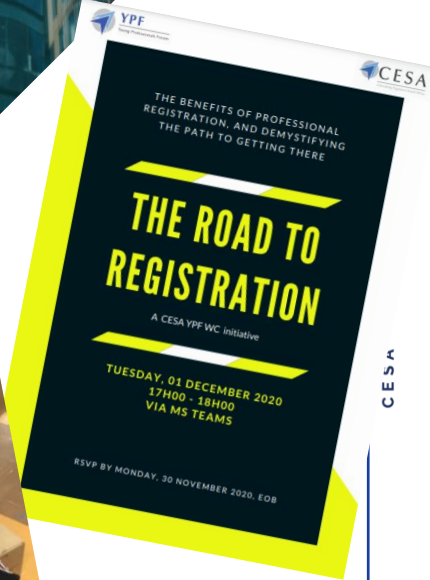

Today!

Is CESA planting trees?

Young Professionals Forum Est. 2004

- For the sustainability and promotion of engineering consulting professions
- To bridge the gap between experienced senior engineers and developing junior engineers
- To promote high quality professionals in consulting engineering firms
