**Building knowledge. Shaping futures.
Engineering change.**

Infraconsult Engineering is proud to be a long-standing participant in the **CESA Job Shadow Initiative for over 20 years**. This is a platform dedicated to introducing learners to the dynamic and exciting world of consulting

This year alone, Infraconsult Engineering reached and inspired **over 350 learners from three secondary schools across Gauteng**, opening doors to careers in science, technology, and infrastructure development.

**#BuildTheEngineering
#BuildTheFuture**
